

Everglades National Park

Working with Florida

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

11 National Parks

10,639,976 Visitors to National Parks

\$643,000,000 Economic Benefit from National Park Tourism

\$1,046,868,921 of Rehabilitation Projects Stimulated by Tax Incentives (since 1995)
